

Davao Medical School Foundation

ESTD. 1976

45 YEARS OF EXCELLENCE IN
PIONEERING MEDICAL
EDUCATION

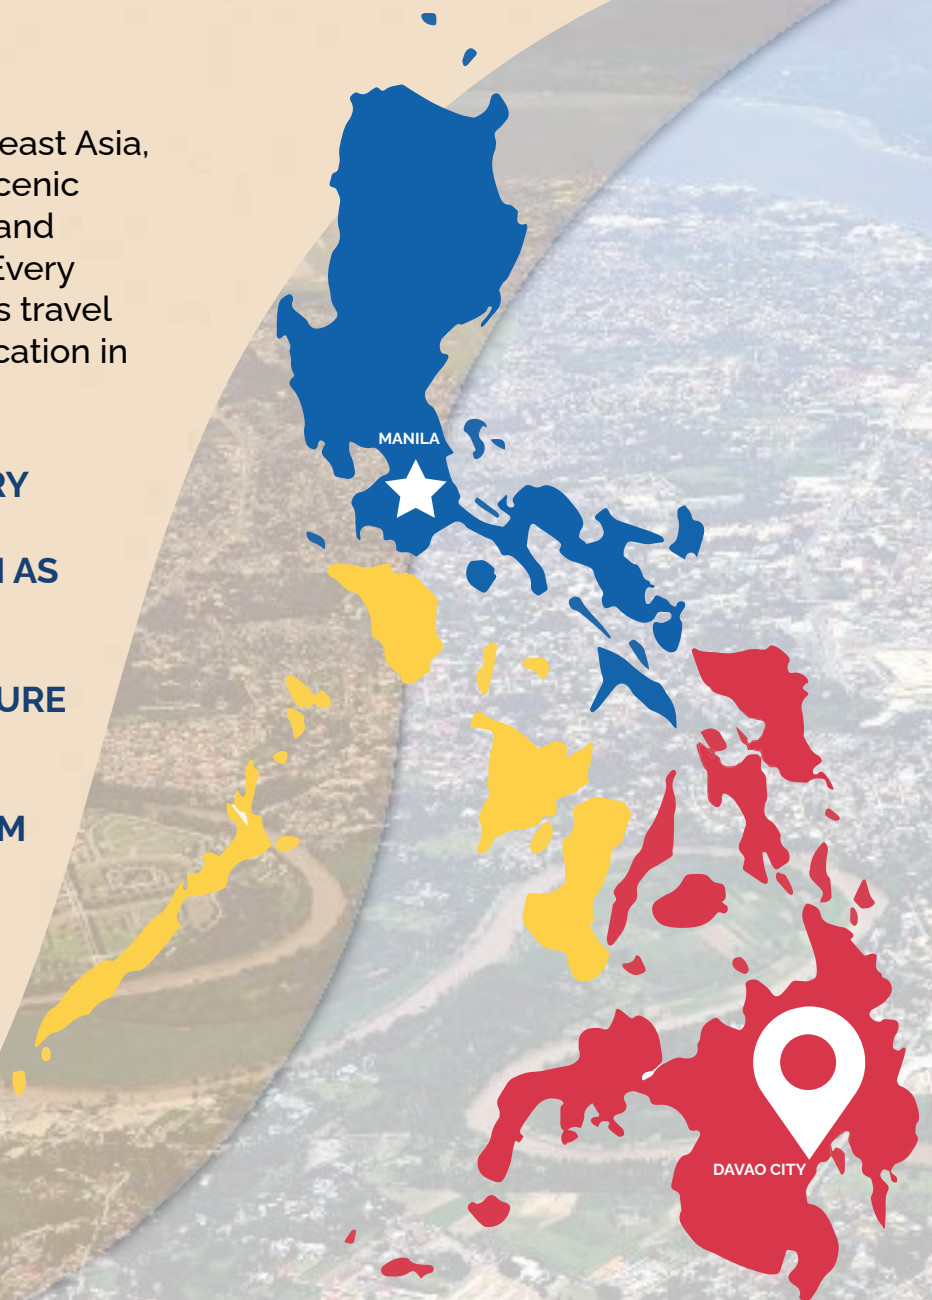

THE MOST COMPREHENSIVE
MBBS (MD) CURRICULUM

PHILIPPINES

An Archipelagic country in Southeast Asia, The Philippines is known for its scenic islands, major tourist attractions and world-class medical education. Every year, over 15'000 foreign students travel worldwide to study medical education in the Philippines.

- ★ ENGLISH SPEAKING COUNTRY
- ★ SIMILAR DISEASE SPECTRUM AS THAT FOUND IN INDIA
- ★ EXTENSIVE CLINICAL EXPOSURE & HANDS ON PRACTICE
- ★ EASE OF ACCESSIBILITY FROM INDIA
- ★ PRACTICE AMONG THE TOP MEDICAL HOSPITALS & AFFILIATIONS

DAVAO CITY

Charming Culture & Contemporary City Avenues: Davao Diaries.

Davao is a highly urbanized city on the island of Mindanao in the Philippines.

It is the largest city in the Philippines in terms of land area, and the most populous city in the country outside Metro Manila. It has been described amongst the top 4 safest cities in the world and has been awarded the “Best of the livable cities in the Philippines” by the Department of Tourism. Davao is one of the fastest-growing cities in Asia with a stable peace order and economic growth remains attractive and is the preferred choice for foreign students.

Welcome to Davao Medical School Foundation

A consortium steeped in the history of community service with a vision to make a quality medical education approachable to all.

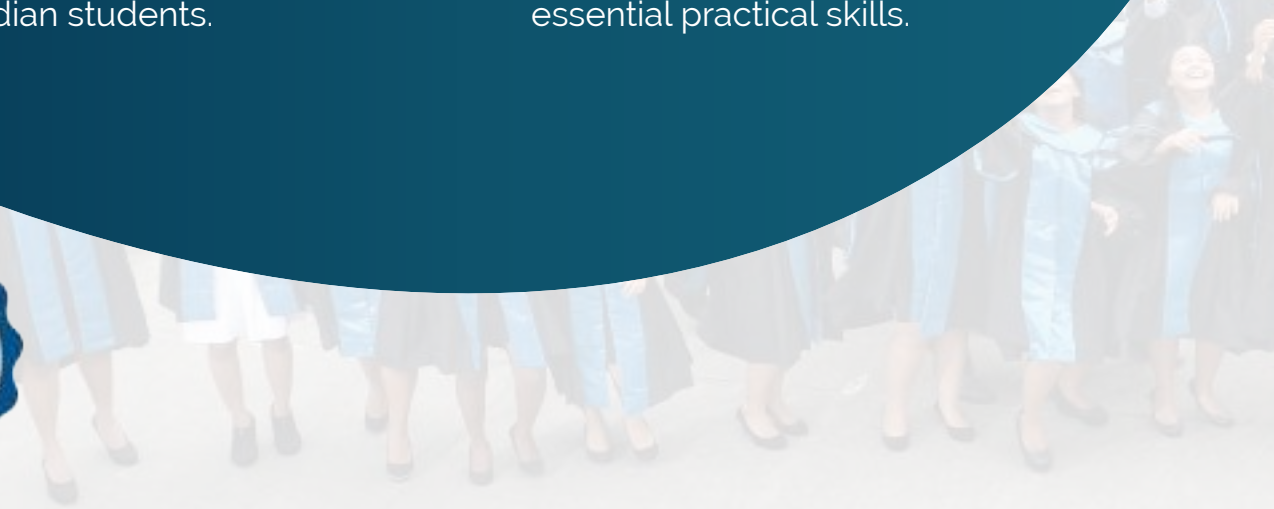

MEDICAL SCHOOL FOUNDATION INC

Established in 1976, Davao Medical School Foundation has been a top choice for students to pursue the MBBS degree in the Philippines recognized by MCI and other various international certification councils. Ranked among the Top 6 Medical College in the Philippines, Davao Medical School Foundation has been home to many native, Indian and other foreign students for the last 45 years producing some of the best Doctors and Healthcare Professionals around the world, thus, making DMSF the best medical colleges in the Philippines for Indian students.

Inspired by the community orientation of the Founders, Davao Medical School Foundation has created a network of aspiring students, experienced faculties and affiliations with renowned hospitals into one efficient system streamlined for innovation and empower students with life-saving skills and help them pursue their dreams of becoming a doctor or healthcare professional in the best of the environments and practices. A student studying MBBS in the Philippines, by the time starts practising, already inherits all the essential practical skills.

The Most Trusted Medical College by Indian students

With over 3500 students who have completed their course and successfully practising as doctors in India and abroad, DMSF with its association with Transworld Educare Pvt. Ltd remains to be the most trusted Medical College Abroad for Indian Students. DMSF in addition to its Hospital is also affiliated with Southern Philippines Medical Center, Davao Doctors Hospital, Brokenshire Hospital & San Pedro Hospital, all together having combined bed strength of over 4000 beds and hence, when it comes to clinical exposure, the students get an overwhelming edge.

DMSF ranks among the Top 6 medical colleges in the Philippines and has also the highest passing percentage at FMGE with an average of 85%.

Message from the Dean

Greetings!

Warmest greetings from **Davao Medical School Foundation, Inc!**

It is our pleasure to welcome you all to the best medical school for international students who want to be the best doctor of the twenty-first century.

The Davao Medical School Foundation, Inc. is a level 2 accredited medical school of the Philippine Accrediting Association of Schools, Colleges and Universities (PAASCU) which is recognized by the Federation of Accrediting Agencies of the Philippines. Soon, we will be submitting our school for level 3 accreditation.

This recognition is because of the following reasons:

- 1.** Consistent top performance in both Philippine medical licensure examinations and foreign medical graduates examination;
- 2.** It's instructional facilities are world class - from classrooms, to basic and clinical simulation laboratories, libraries and soon, a modern medical museum;
- 3.** A home-grown Learning management system (LMS) called iLEARN@DMSFI, which is customized for digitally-adept international students, thus making e-learning fun and effective;
- 4.** Our faculty members are competent, committed and dedicated, who don't only teach the art and science of Medicine, but most of all, take time to nurture the spiritual, emotional and mental health of students;

In light of the above, we invite you to visit our school and see for yourselves why DMSFI is the best school for your children

Dr. Erwin Rommel Hontiveros
Dean, College of Medicine
DMSFI

ACCREDITATION OF DMSF

DMSF is recognized by some of the highest Constitutional & Statutory bodies in the Philippines, in India and other countries in the world.

Accredited by prestigious organizations and institutes like ECFMG (Educational Commission for Foreign Medical Graduates), WHO (World Health Organization), MCI (Medical Council of India), PAASCU (Philippines Accrediting Association of Schools, Colleges & Universities) among many others.

DMSF being one of the best colleges for MBBS in the Philippines have earned a galore of accreditations that portray the credibility and the acknowledgement the institute has attained over the years of excellence. DMSF over the years due to its contribution to the field of Medical Science has been awarded by the Healthcare Services of the American Government among many other countless achievements.

**DMSF
Unique
Features**

SIMULATION MANNEQUINS STATIONS

DMSF is the first medical college in all of the Philippines and only the second college in Asia to set up Simulation Mannequins Stations for Clinical teaching and Learning. Modern responsive mannequins are used which can be programmed to simulate a wide range of illnesses through which the students are taught clinical practices before their clinical rotations.

VIRTUAL REALITY ANATOMY:

With VR becoming more commonplace in our day to day lives, DMSF allows students to utilize state of the art Virtual Reality Platforms to study Anatomy.

3D ANATOMAGE & Cadavers

DMSF is the first college in the Philippines to install 3D Anatomage Table System. DMSF also boasts of a large number of cadavers for the students to practice on. At any moment, DMSF has over 50 cadavers that help provide the students with an ideal learning ground to hone their skills.

PLASTINATED MODELS

A new trend amongst the top Medical Colleges in the World, Plastinated models, are widely utilised for teaching. At DMSF students get the opportunity to study human anatomy, as it is by using these meticulously crafted cross-sections of a Plastinated Human body.

TEAM LEARNING CENTRE

MODERN KNOWLEDGE CENTRE

CLASSROOM & LABS

HOSTEL FACILITIES

Dedicated hostel facilities are provided exclusively for Indian students. Separate hostel facilities are available for boys and girls which are fully air-conditioned and monitored. In all, over 50 Indian staff and over 150 Filipino staff are assigned for the sole purpose of taking care of the students. Premium hostels are also available. Indian food is also prepared specially for the students with a mix of South Indian and North Indian Cuisine.
