## ADMISSION LETTER

We hereby inform you that **MOHIT SURESH PIMPALKAR**, date of birth **14.11.2006**, citizen of India, has been allowed for admission procedure in 1<sup>st</sup> year of General Medicine programme (Equivalent MBBS) of Ural State Medical University, Ekaterinburg, Russia for academic year 2025-2026. The university imparts education in English. However, the student should be proficient in Russian language to undergo practical training that includes interaction with patients who communicate in local language. The study programme in General Medicine occupies **6 years** of studies.

This certificate is issued to the student for making his/her passport and there by requesting the passport authorities to issue his/her passport.

All applicants will have to take entrance exams (English language, Biology, Chemistry).

This certificate and/or getting passing scores on entrance exams cannot guarantee student's absolute enrolment into the University. Only on the basis of the results of the entrance examinations is there a chance for an applicant to join the ranks of our students. The candidate may only be admitted if a foreign passport is available.

Obligatory documents for admission:

- notarized translation into Russian language of passport;
- notarized translation into Russian language of school certificate;
- other documents requested by the Admission Committee.

We look forward to having you in our University!

Head  
Office for International Education and Cooperation

Stakheyeva N.N.
