**Dear Muskan Mehtab Shaikh,**

Please be informed that based on your Academic Documents forwarded to the Faculty of Medicine, we are provisionally accepting you into the Program of Medical Doctor (MD) for 2024.

We also would like to inform you that the duration of the Program of Medical Doctor is 6 (six) years in English Medium

According to Georgian regulations, you should submit us the Copies of your passport and Secondary School Diploma. These documents have to be translated in Georgian and attested by a Notary to send to the National Center for Education Quality Enhancement of Georgia. The Ministry will give a final permission Document concerning your application. It should be noted that Citizens of India are obliged to provide NEET Certificate.

This procedure takes some time (up to several weeks). Therefore, we urge all our Applicants to send the Documents on time.

After receiving the permission letter from the Ministry of Education Science and Youth of Georgia, you should pay the tuition fees.

As soon as we get Confirmation from the Bank about your payment, we will send you an Official letter of Invitation. The document will confirm that an Applicant is a Candidate of the Program of Medical Doctor at European University.

We appreciate the Choice to study at our University and hope that your Studies will be successful.

Best wishes,

**President**
