Our international medical students can participate in fully funded Erasmus+ programs at partner universities for one semester, including Masaryk University Faculty of Medicine (Czech Republic).

Fully Funded International Clinical Practice Programs

European University medical students can participate in clinical practice programs at partner medical organizations in Germany and Spain. The programs are competition-based, and the winners receive full funding and administrative support from European University.

Local Clinical Practice Programs

Our medical students have the opportunity to have clinical practice at our own Jo Ann University Hospital, which is one of the leaders in medical services in Georgia.

European University Scholarship

Academically advanced students receive scholarships during the semester based on their GPA at the University.

European University Dormitory

The university offers student accommodation built to modern standards, which is highly attractive and in demand among students for its affordability, safety, and comfort. It serves 300 residents. Accommodation is typically reserved in advance for a certain period of time.

Admission Instructions

According to Georgian regulations, you should send us copies of your passport and secondary school diploma (or transcripts for transfer students). These documents have to be translated into Georgian and attested by a notary to be sent to the National Center for Educational Quality Enhancement of Georgia, which will give a final permission document regarding your application. It should be emphasized that the above-mentioned documents for recognition will be sent to the National Center for Educational Quality Enhancement of Georgia once 50% of the tuition fee (5900 USD) is paid. It should be noted that Citizens of India are obliged to provide NEET certificate as a part of the application process.

This procedure can take several weeks; Therefore, we urge all applicants to submit their documents promptly.

After we receive confirmation from the bank regarding your payment, we will send you an official invitation letter. This document will confirm that you are a candidate for the Medical Doctor program at European University.

We appreciate your choice to study at our university and wish you success in your studies.
