№ 644

To whom it may concern

ADMISSION LETTER

We would like to confirm that the application of Mr./Ms. **BHOSLE SHIVKUMAR NAGNATH**, citizen of **INDIA**, bearer of passport № **AE452169**, has been accepted to partake in a competition to be enrolled in the first year of the International faculty of a general practitioner at the Northern State Medical University. After successfully passing the entrance tests in Chemistry and Biology, Mr./Ms. BHOSLE SHIVKUMAR NAGNATH will participate in a fair competition based on their total exam score, and in case of success after paying their course fees according to the Contract (320 000 Russian rubles) they will be admitted to the University.

Upon arrival the applicant will have to submit the following documents to the Dean's Office:

1. Originals of all the documents that they have submitted with your application for admission (including all the signed application forms);
2. Notarized translations of all the documents that have any information in any language other than Russian;
3. Visa (if required for entry to the Russian Federation for the citizens of your country), migration card and tear-off part of the form of an arrival notification of a foreign citizen to the place of stay or other documents confirming the legal stay of a foreign citizen on the territory of the Russian Federation;
4. Any other documents that you have undertaken to submit during your admission process (if any).

Before September 1st, 2025 the school certificates should undergo the procedure of recognition and ascertainment of equivalency of the student's level of education to the standards of the Russian system of secondary education. In case the Ministry of Education of the Russian Federation does not confirm the student's eligibility for entering a higher educational institution in Russia, the student will be expelled from the University.

The academic year starts on **September 1st**. The duration of the full course is **six years**. After successful completion of the course they will be awarded the qualification of Doctor of Medicine.
